2021 C5PBA TOURNAMENTS - COVID-19 UPDATE 2022 C5PBA EVENT LOCATIONS

After careful review of the public health restrictions and recommendations currently in place across our country, and in consultation with our Provincial Member Associations, the C5PBA has made the difficult decision to cancel the Inter-Provincial and Open national events for the 2020-2021 bowling season.

It remains our goal to conduct our Youth Challenge, but do so virtually as to not require any unnecessary or out of province travel. The C5PBA Board of Directors will be working on a framework for this virtual event. We hope to conduct the virtual event on June 26, 2021.

The C5PBA Executive in consultation with our Provincial Presidents will review this again in mid-March to address on-going restrictions due to COVID-19.

This decision has not been made lightly but we need to ensure we adhere to public health guidelines and do not put any of our participants, coaches, volunteers as well as their family and friends at risk.

The 2022 National Events will be hosted as follows:

Youth Challenge – Winnipeg, MB
Inter-Provincial – Kelowna/Vernon, BC
Open – St. John's NL

Thank you and please stay safe.

C5PBA Board of Directors
